- Death of a Spouse/Family member/Friend
- Major Health Change
- Loss of Pet (6-weeks program – adults only)**
- Retirement
- Feelings of Hopelessness

This *is not* a 12 steps program like A.A. or N.A. We provide *a Safe Environment* for you to look at your old beliefs about dealing with loss. During the sessions you will examine what losses you have experienced through your life and then learn to take the effective steps that will help you complete the emotional pain attached to those losses and let it go.

Cost: \$500

By watching the grief presentation, the course will be \$425, a savings of \$75. At end of grief presentation, a promo code will be given.

No Refunds Policy:

This is not a put your toe in the water to see if the water is too cold program. You are either ready to commit to getting out of your rut or you are not. By making this purchase with Dr. Donald Tate & Associates, you are confirming that you have read and understand our no refunds policy.
